

NOTICES OF AGENCY GUIDANCE DOCUMENTS

The Administrative Procedure Act requires the publication of guidance documents and substantive policy statements issued by agencies (A.R.S. § 41-1013(B)(14)). Substantive policy statements and guidance documents are written expressions which inform the general public of an agency's current approach to rule or regulation practice. Substantive policy statements and agency guidance documents do not include internal procedural documents which may only affect the internal procedures of the agency and do not impose additional requirements or penalties on regulated parties in accordance with A.R.S. Title 41.
